

**AFFIDAVIT OF SCOTT REITER**

STATE OF WISCONSIN    )  
  ) ss.  
COUNTY OF BROWN    )

I, the undersigned, being duly sworn, state as follows:

1. I am an adult resident of the State of Wisconsin and a radio-frequency engineer employed by Bug Tussel Wireless, LLC and Cloud 1, LLC.
2. I make this affidavit in support of Cloud 1, LLC's application to the Township of Wyoming and Iowa County to construct a new communications tower located at: Tax Key Number: 028-0416 (Owned by: Phillip and Cheryl Limmex, 6601 Lower Wyoming Road, Spring Green, Wisconsin 53588).
3. Bug Tussel Wireless, LLC is a duly licensed mobile service provider and shall be the anchor tenant on the Cloud 1, LLC tower proposed for the Limmex property.
4. One of my job responsibilities is to design and direct the placement of the Bug Tussel Wireless antenna facilities throughout its entire mobile service network.
5. I have performed a review of the existing tower structures within one and a half (1.5) miles of the proposed tower location and I have found that there are no collocation prospects for Bug Tussel Wireless, LLC as there are no existing communications towers to collocate upon within said area. The attached RF analysis supports my findings.
